

ROXOR

Delivery Information

Our aim is to deliver all orders, free of charge, in up to three working days to your business address.

Whilst this will always be our aim, it can sometimes be affected by factors such as the time your order is placed with us, the postcode of the delivery address and the carrier used by ourselves to deliver your items. We apply a delivery charge to outlying postcode areas.

Please contact our Sales Team at support@roxorgroup.zendesk.com with any additional delivery questions.
